LOCATION

Eastern Oklahoma County Technical Center will again be the site for the Roadeo. Located in Choctaw, Oklahoma at 4601 North Choctaw Road, this site provides all the room we'll need for the contests. Most of you are already familiar with this site as it has been used for many of the LTAP training programs over the last several years. The parking lot on the south side of the campus will be available this year which will give us ample parking.

COMMEMORATIVE CAP

All operators participating and all attending Commissioners will receive the commemorative cap designed especially for this event.

REGISTRATION

To expedite the early morning registration process, an entry blank is included with this invitation. Please fill out and fax or mail to the address shown on the entry blank. You may also register at the event; but to avoid long waiting lines, pre-registration is encouraged.

*Get ready for a great time—great competition—good food—nifty prizes
(and did I mention some CASH?)*

Winners will be announced and awards presented at the November ACCO Conference.
