Association of County Commissioners of Oklahoma

PEOPLE MAKE COUNTY GOVERNMENT

Membership Application

The Association of County Commissioners of Oklahoma (ACCO) is a statewide association representing the county commissioners in Oklahoma's 77 counties. Through ACCO's membership program, we offer vendors a high contact, low-cost approach for face-to-face opportunity to market your products and services.

Our membership levels are created to provide affordable opportunities to meet the 231 elected County Commissioners who serve as the executive board of each county within the state of Oklahoma. ACCO provides companies the chance of networking at our conferences throughout the year, along with opportunities in our printed and digital publications, for showcasing your company and products. ACCO understands the importance of building relationships and your involvement is essential in assisting our counties in product knowledge and services. Our goal is to provide different levels of membership so you can choose the level that best fits your needs.

Enclosed you will find the renewal membership packet and advertisement options for calendar year 2027. Please take note of the deadline dates.
